Re: Lawsuit pertaining to earned income credit

**MARY L.M. MORAN**  
**CLERK OF COURT**

To whom it may concern;

I was a working single mother of two children in 1995, 1996, 1997, and a working mother of three in 1998. When I filed for my tax return, I did not receive my EIC's for any of these years. I since moved from the Territory of Guam to Washington State (see address below), and have received notice of the lawsuit and a check from the treasury in the amount of \$300.00, which I did not cash. I would like to receive any compensation owed and awarded me by the lawsuit at :

I would very much appreciate it, and I am attaching copies of my Washington State Driver's License, Social Security Card, and permanent alien I.D.  
Thank you very much for your help.
